

Effective June, 2011, Ideal Telecom has merged with Columbia Pacific Telesystems.

Ideal Telecom is pleased to announce that it has merged with Columbia Pacific Telesystems. Columbia Pacific Telesystems is a local telecommunications company that has been providing telecommunications products and services to San Diego businesses for over 25 years. Columbia Pacific Telesystems is a certified Panasonic & Samsung dealer and their technicians are trained & certified on Panasonic & Samsung systems. They have a reputation of delivering quality customer service.

Ideal Telecom owner, Barry Dulfon will be taking some time off, so Columbia Pacific Telesystems will be providing all of the customer service needs for Ideal customers.
